

Valley Kangaroo Rugby Football Club
March, 2006 Officers Meeting
Sunnydale Tavern, Burien

1. Attendance: Zippy, Todd, Todd S., Andy, Matt, George
2. Progress of old business: We are still looking for insurance for the club and its officers; George is looking insurance offered by USA Rugby. We would try to include the youth coaches to help share the burden of the cost.
3. New business:
 - A. Bowl-a-thon Recap: All things said and done we made roughly \$450 with the fundraiser. The alley was happy with us and could be used for such a venue again.
 - B. Remaining Matches: The Babonni cup will be pushed to the fall schedule when both teams can bring a competitive and active side to the match. We have three remaining league matches of which ORSU is the most important. We want to play the side we'll be taking to AZ against ORSU. Tony has still not paid his debt to Portland and as such is not eligible to play for Valley.
 - C. Ryan Field Work Party Goals: This Saturday we'd like to bulldoze the lower field [bulldozer status is up in the air], move dirt to the beer garden, spray weed killer, and possibly roll the upper field [roller status unknown, Todd Schmitt to talk to Bruce McDowell].
 - D. Treasurer's Report: George has put together a substantial package which should be included in our archives with the minutes from this meeting.
 - E. Roo Raiser Update: The official date of the event will be June 10, 2006. We will start our phone tree calling when Duncan gets back from Sweden. Todd Schmitt is to follow up with Mark Roberts about his family handling the cooking again this year.
 - F. Arizona Fundraising: We are going to need to help players on our team afford the trip. We will be getting our airfare through Sully's connection which should lower the price per ticket. Andy Ramsey is to work out a price per player that we can strive to lower through fundraising. Suggestions for fundraising included a Jersey raffle at all home games, E-bay sales of our signed jerseys, another Bowl-a-thon on April 2nd, playoff t-shirt sales, corporate sponsorship, and a program with business card sized advertisements.
